Dear Lisa

Re: Wonersh Parish Council
Internal Audit Year Ended 31 March 2025 – Year-End Audit report

Executive summary

Following completion of our year-end internal audit we enclose our report for your kind attention and presentation to the council. This report contains details of the additional testing conducted at year-end and should be considered alongside any interim audit reports issued. The audits were conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Wonersh Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Mark Mulberry of Mulberry Local Authority Services Ltd, who has over 30 years' experience in the financial sector with the last 13 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2024/25 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

Year-End Audit

The year-end audit was conducted on site. Information was requested from the council in advance of the audit taking place, and this was reviewed along with other information published on the council's website www.wonershparish.org

Final Audit 2023/24 - Points Carried Forward

Audit Point	Audit Findings	Council comments
	None	

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check that the council's Finance Regulations are being routinely followed.

Further to the testing conducted at the interim audit, I checked a sample of invoices and payments made towards the end of the financial year. I was able to confirm amounts processed matched the amounts paid on the bank statements, were consistent with the associated invoice and had been approved in accordance with the council's adopted Financial Regulations.

I am satisfied the requirements of this control objective were met for 2024/25.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

I asked if assertion 8 of the annual governance statement had any impact on the council. There is no impact.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

I am satisfied the requirements of this control objective were met for 2024/25.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

Analysis of the council's year-end income and expenditure report shows total income for the year reported as 155.2% and total expenditure as 80% of budget. This equates to £75k of additional income, and £40k of additional expenditure against budget. The year end result was an unbudgeted surplus of £34,303, which after transfers from earmarked reserves resulted in an additional £40k added to the general reserve.

I have reviewed the income and expenditure against budget and note the additional unbudgeted income is due to £37k of donations, and £5k of additional CIL, £11k of VAT and £8K of Barnett fields.

The underspends against budget are attributable in the main to VA and playgrounds. The playground expenditure came from donations and earmarked reserve. Other line items exhibit minor variances, this suggests that the council budget was set appropriately and has been carefully monitored throughout the year.

At the end of the financial year, the council held circa £94,084 in earmarked reserves (EMR) and a further £51,303 in the general reserve. The earmarked reserves are listed and appear to be for bonafide ongoing projects.

The Smaller Authorities Proper Practices Panel (SAPPP) formally JPAG Practitioner's guide states *'the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure'* (para 5.33).

I estimate the net revenue expenditure to be in the region of £100k pa. This gives a general reserve range between £25k, and £100k. The general reserve balance is within the recommended range.

I am satisfied the requirements of this control objective were met for 2024/25.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and was able to confirm this includes only salary payments, HMRC payments and pension contributions.

I am satisfied the requirements of this control objective were met for 2024/25.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register. I confirmed by sample testing of the invoices that items added during the year has been accurately recorded as the original net purchase price.

I confirmed to third party evidence the interest, capital and end of year loan balances on the PWLB loans as shown in boxes 5 & 10 of the AGAR. There we no errors.

I am satisfied the requirements of this control objective were met for 2024/25.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

I reviewed the March 2025 bank reconciliation for all accounts and was able to confirm the balances to the bank statements and cashbooks and found no errors. The balances agreed to the end of year AGAR.

The council benefits in part from the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS). The council also has an adopted investment strategy on its website.

I am satisfied the requirements of this control objective were met for 2024/25.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

Audit findings

The year-end accounts have been correctly prepared on a receipts & payments basis with no requirement for a box 7 and 8 reconciliation. If the council has income greater than £200k this year, then it will be required to complete income and expenditure accounts for the 2025/26 year.

Practitioners Guide Para 5.129. Current rules require authorities where the gross income or expenditure for the year (whichever is the higher) has exceeded the threshold of £200,000 for a period of three continuous years, to report their financial details on an income and expenditure (I&E) basis, from the third year onwards. Authorities operating below the £200,000 threshold have the option to report either on an income and expenditure basis or on a receipts and payments (R&P) basis.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2023/24 and published on the council website.

The variance analysis has been completed to explain the variances where required with sufficient narrative and numerical explanation.

I am satisfied the requirements of this control objective were met for 2024/25.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2023/24, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2023/24 AGAR tick "not covered")

Audit findings

The council did not certify itself exempt in 2023/24 due to not exceeding the income and expenditure limits therefore this test does not apply.

L: PUBLICATION OF INFORMATION

Internal audit requirement

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

We have considered the requirements of Statutory Instruments 2015/480 The Local Government (Transparency Requirements) Regulations 2015 [<https://www.legislation.gov.uk/ukxi/2015/480/made/data.pdf>] and, 2015/494 The Smaller Authorities (Transparency Requirements). https://www.legislation.gov.uk/ukxi/2015/494/pdfs/ukxiem_20150494_en.pdf

In addition to this, we have considered the additional publication requirements as set out in the ICO Model Publication Scheme for Parish Councils. <https://ico.org.uk/media/for-organisations/documents/1153/model-publication-scheme.pdf> & https://ico.org.uk/media/for-organisations/documents/1266/parish_council_information_guide.doc

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

The council has income & expenditure greater than £200k and is following as best practice the requirements of the Local Government Transparency Code 2015.

I reviewed the model publication scheme requirements and can confirm the council has a dedicated web page in place to cover the requirements.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for financial years 2018/19 to 2023/24 inclusive.

I am satisfied the requirements of this control objective were met for 2024/25.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

In the year covered by this AGAR, the authority correctly provided for a period for the exercise of public rights as required by the Accounts and Audit Regulations.

(During the 2024/2025 AGAR period, were public rights in relation to the 2023/2024 AGAR evidenced by a notice on the website and/or authority approved minutes confirming the dates set).

Audit findings

Inspection – key dates	2023/24	2024/25 Proposed
Date AGAR signed by council	15 th May	19 th June
Date inspection notice issued	14 th June	20 th June
Inspection period begins	17th June 2024	23 rd June
Inspection period ends	26th July 2024	1 st August
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2023/24, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2024/25 meet the statutory requirements.

I am satisfied the requirements of this control objective were met for 2024/25.
